**Name of Offeror or Contractor:**

SECTION A - SUPPLEMENTAL INFORMATION

1. The purpose of this Amendment 001 to Solicitation W56HZV-07-R-G094 is to make the following changes.

a. Extend the closing date and time TO: 5 Jun 2007, 1300 hours EDST.

b. Section L Proposal Instructions, Format and Content:

Replace L.2.4.2(a) with the following:

L.2.4.2 (a) The Pricing Questionnaire requires the Offers to propose pricing based on FOB Origin and FOB Destination Iraq. Price proposals for FOB Destination Iraq shall be based on use of U.S. Flag vessels for all transportation over water. For FOB Destination Iraq the Offeror is responsible for all insurance and security costs in addition to normal transportation charges.

c. Section M - Source Selection Process:

Replace M.2.2.3 Price Factor with the following:

M.2.2.3 Price Factor. The Price Factor will be assessed based upon total evaluated price to include an assessment of price reasonableness and realism to the U.S Government.

Realism is measured by whether or not the proposal price accurately reflects the Offeror's approach in meeting the solicitation requirements and objectives, as well as an expectation that the solicitation requirements and objectives will be met at a price that will not result in a net loss to the Offeror.

Reasonableness is measured by whether or not the offered price exceeds what would be incurred by a prudent person in the conduct of competitive business. The U.S. Government may reject a proposal which is not realistic, or not reasonable, as to price.

For FOB Origin, all vehicles and parts will be inspected and accepted at FOB Origin.

For FOB Destination to Iraq, all vehicles and parts will be inspected at Origin, and accepted at FOB Destination Iraq.

For purposes of evaluating the U.S. Government's transportation costs for FOB origin vehicle CLINs, the quantity of 6 will be used for FOB Iraq, and the quantity of 75 for FOB Afghanistan for the First Ordering Year.

The Total Evaluated Price will equal:

(1) The sum of all the total amounts for each HARDWARE CLIN and PARTS CLIN in Section B, plus

(2) Transportation costs, as determined by the TACOM-LCMC Transportation Office, to be added for all FOB Origin HARDWARE and PARTS CLINs.

For purposes of evaluating the U.S. Government's transportation costs for FOB Origin Parts CLINs, the FOB Point is Umm Qasr, Iraq.

The unit prices and total amounts listed in Section B must match those on the Pricing Questionnaire (Attachment 004).

2. All other terms and conditions remain unchanged and in full force and effect.
